*"My husband is the breadwinner and was injured. I was concerned about how I would be to with my husband as we live 2 hours away and could not afford to stay at a hotel. When the social worker told me about Zafia's Family House I almost started to cry. Having a place to stay took a huge burden off me during this difficult time. My husband and I are grateful to Zafia's Family House, we will never forget the kindness and generosity offered to us."

Departments served: Neonatology, Pediatric and Adult Oncology, Cardiology, Neurology, Pre-Post Surgery, Trauma, Intensive Care Unit, Sutter Rehabilitation Institute

## Families paying it forward!

Every bit helps as our referred families make a nominal daily contribution to help pay it forward. However, contributions are not expected for those that cannot afford it. The difference is made through generous donations and grants.

Since February of 2019, referred families have contributed \$10,895 which funded 154 nights!
